

Aim High Today To Achieve Higher tomorrow

Uffculme Primary School provides a safe and happy environment in which all children can thrive and reach their full potential. We expect every child to work to their best ability in all aspects of their school life and to contribute to the life of the school and the communities we are part of.

We aim to deliver a creative and challenging curriculum across the whole school with many enrichment activities. We strive to ensure that children progress and attain well throughout the school life and become respectful and caring members of our school, village and wider community.

We believe in building links with our local community and beyond to help our children make sense of the world today and find their place in tomorrow's world.

Our key aims are to be a school where:

-  Every child feels happy and safe
-  Every child is engaged in their learning and achieves well
-  Every child is proud of what they have achieved because they know they have given their best
-  Every lesson is challenging and inspiring with rich and exciting learning opportunities
-  Every child acquires the skills needed not only to be a successful and independent lifelong learner, but also to be a confident and responsible citizen
-  Every member of our school community feels valued and respected
-  Every pupil values their community and plays an active part in it

We will deliver this through:

-  Nurturing relationships and effective partnerships
-  Developing basic English and maths skills
-  Ensuring leadership accountability and teacher responsibility
-  Providing learning opportunities relevant to the needs of every child
-  Effective monitoring and assessment
-  A cohesive and consistent approach towards all aspects of learning
