

Welcome to our Reception class

I am going to be your class teacher next year.

Mrs Hughes

These are some of the things we will be learning about in Reception:

In the mornings we will say goodbye to our grown-ups and come into school for an exciting day of learning.

We will have our own pegs where you can hang up your coat and a space for water bottles and bookbags.

We will have fun playing and learning together in our classroom and outside areas.

We will be very active and will enjoy riding bikes, moving, and dancing, exploring the playground and woodland area and we will have PE lessons.

We will have quieter carpet times and enjoy listening and speaking to each other.

We will read lots of stories and rhymes.

We will make friends and have lunch times and break times together.

We will talk and learn all about numbers, shape and space.

We will practise reading and writing.

We will be creative and enjoy music, singing, painting, role-play and getting messy.

We will have a lot of fun learning and exploring together, and we will see our grown-ups again at the end of the day for home time.
